

# Everybody's Watching Me (Uh Oh)

The Neighbourhood

I told you I would tell you everything you want to know  
You want me to tell you now  
You ? you to hear about it  
To think that I would count you out

I let you find it on your own  
Then I found myself alone

Uh oh, where can I go?  
Everybody's watching me  
Uh oh, where can I go?  
Everybody's watching me  
Ooh ooh, what can I do  
If you're not here to tell you?  
Uh oh, where can I go?  
Everybody's watching me

I go through all the trouble of keeping it within my walls  
I try to be as subtle as I can  
Assume that nothing needs me, all I've done defeats me  
It looks like you were right again  
And again

I let you find it on your own  
Then I found myself alone

Uh oh, where can I go?  
Everybody's watching me  
Uh oh, where can I go?  
Everybody's watching me  
Ooh ooh, what can I do  
If you're not here to tell you?  
Uh oh, where can I go?  
Everybody's watching me

The more I want in, the more I want in  
The less I know, the less I know  
But I forgot it, I forgot it  
I'll be alone, I'll be alone, I'll be alone  
With everybody watching me

Uh oh, where can I go?  
Everybody's watching me  
Uh oh, where can I go?  
Everybody's watching me  
Ooh ooh, what can I do  
If you're not here to tell you?  
Uh oh, where can I go?  
Everybody's watching me

Watching me, watching me, me, me  
They're watching me, me, me  
Watching me, me, me, me  
Everybody's watching me
