The Neighbourhood

I want to be honest
I want to be bad
I want to destroy you
I want to move fast
I want the attention
I want all the cash
I want all the ass
Is it too much to ask?

I want to be faithful
I want to be raw
I want to be ignorant
And I want to know all
I want to die someday
I want to live long
I want what I ask for
And I get what I want

I'm thinking we should ride
To a place that we don't know
To a place where no one has seen us before
I'm thinking, you and I
Better just go with the flow
Last thing that we should do is go slow...
(2x)

I think that I'm human
I think about God
I think of the chances
I think that I'm wrong

I think to be thoughtful
I know that I'm not
You think I'm a fake
And I know you're a fraud

I fuck 'cause I need to
I fuck when I want
I'll fuck you in love
Even though it is not

I'll fucking digest you
One kiss at a time
You wish I was yours
And I hope that you're mine.

I'm thinking we should ride
To a place that we don't know
To a place where no one has seen us before
I'm thinking you and I
Better just go with the flow
Last thing that we should do is go slow
(2x)

Black and white
Everything's white
But it's blacker than I know

And blacker than the white of the snow
I know that, you and I
Oh no, no... oh no, no.
