

Love And Money

The Network

Spin a wheel
Behind the mark
Another deal
In the dark
In the red
And in the grey
Dangerous
With a kiss

On a take
At the zoo
On a make
Sniffing glue
In a bind
In your mind
Runaway
You're ok

Then you crack

Take a pill
Wide awake
Sanding still
On the street
Cut the cord
You're in debt
You're so bored
Covered in sweat

Kickin' in
With a grin
Going out
With a bang
Huffing fumes
Walk the line
Luftballons
In my spine

Then you crack

Love and money
Well spent
Love and money
Well spent

And then you crack
