Transistors Gone Wild

The Network

This is age of make-believe Or a reality series Television, murder city Dreaming of tomorrow Am I alive or fantasy?

Give me murder give me loss Turn the cities into dust man

My brain is melting And it smells like a volcano

Japanimation surgery
Drinking nuclear energy
Reservoir spewing toxic
Shout!
There's no tomorrow
Drinking nuclear energy

Give me murder give me loss Turn the cities into dust man

My brain is melting
And it smells like a volcano

Give me murder give me loss Transistors Transistors gone wild
