

## Borderline

## The New Amsterdams

Borderline  
Though you're still a friend of mine  
We've got many common ties  
I don't want to lie  
To you  
I'll be true  
But i may not be there for you

Too many times  
You shit on my best lines  
Fashion a function ties  
So after i'll leave  
Been through  
I'll be true  
I don't want to be there for you  
You don't speak but then that's not news  
I would hate if you ask me to
