

## Just So Over You

The New Amsterdams

I'm just so over you,  
I'm just so over you  
I hope that you get to see  
what you've done to me

What good does patience do?  
Rewards aren't coming true  
It doesn't seem worth the wait  
for I'll gotten fate

I could not speak for you  
but I think you feel it too  
this instinct to hesitate  
but then you make mistakes

And I'll see things clearly when  
madness starts happening  
is this the end in sight?  
at least I changed my mind.

It's nothing personal  
It's nothing personal  
It's just my time and place  
to make my mistake.
