Just So Over You

The New Amsterdams

I'm just so over you,
I'm just so over you
I hope that you get to see
what you've done to me

What good does patience do? Rewards aren't coming true It doesn't seem worth the wait for I'll gotten fate

I could not speak for you but I think you feel it too this instinct to hesitate but then you make mistakes

And I'll see things clearly when madness starts happening is this the end in sight? at least I changed my mind.

It's nothing personal
It's nothing personal
It's just my time and place
to make my mistake.
