

# Whatever You Say

## The New Amsterdams

I care if you're killing the same four chords  
Try 'em outta key in a minor key  
And the socialist card doesn't open doors  
Reminding me that anarchy...

Remember my creed if you can  
Whatever you say  
Whatever you say  
Whatever you say to me  
Is potentially damaging

You swing like a kid in a candy store  
Is the sugar sweet in the bitter treat?  
Hang on the words of the corporate whores  
You're numbing me with your critique

Remember my creed if you can  
Whatever you say  
Whatever you say  
Whatever you say to me  
Is potentially damaging

Only you  
Only you know the story  
Hold your tongue for me

Whatever you say  
Whatever you say  
Whatever you say to me  
Is potentially damaging  
Is potentially damaging
