

# Heatwave

The New Cities

Oh oh oh oh oh oh oh oh oh oh  
Oh oh oh oh oh oh oh oh oh oh oh oh  
Blasting radios, girls in summer clothes  
Walking down the beachside street  
To the rising heat  
Everybody's on a roll  
Just a little out of control  
All set to misbehave  
And you know we're gonna  
Cause these are the days  
Too soon the sun is gone  
Kick it and keep on going

Oh oh oh oh oh oh oh oh oh oh  
We are soaked up in the heatwave  
We are  
Oh oh oh oh oh oh oh oh oh oh  
We are tripping on the feeling  
We are  
Kicking it like good times are never gonna  
End my friend are you with me  
Oh oh oh oh oh oh oh oh oh oh  
We are soaked up in the heatwave  
We are

Scenery going by, the movie is her skin  
Camera fades to black  
Clothes don't mean a thing  
Salt tastes on her lips  
Running hand in hand  
Don't know where it ends  
And you know we're gonna  
Cause these are the days  
Too soon the sun is gone  
Kick it and keep on going

Oh oh oh oh oh oh oh oh oh oh  
We are soaked up in the heatwave  
We are  
Oh oh oh oh oh oh oh oh oh oh  
We are tripping on the feeling  
We are  
Kicking it like good times are never gonna  
End my friend are you with me

Oh oh oh oh oh oh oh oh oh oh  
We are soaked up in the heatwave  
We are  
soaked up in the heatwave

Grab this picture perfect moment  
Living it up every second  
Clinging on this feeling like a magnet to the metal

Tomorrow morning won't be bright and early  
Things are getting hot  
Hot and heavy

Everybody, everybody soaked up in the heatwave  
everybody soaked up in the heatwave

Oh oh oh oh oh oh oh oh oh  
We are soaked up in the heatwave  
We are  
Oh oh oh oh oh oh oh oh oh  
We are tripping on the feeling  
We are  
Kicking it like good times are never gonna  
End my friend are you with me  
Oh oh oh oh oh oh oh oh oh  
We are soaked up in the heatwave  
We are  
Oh oh oh oh oh oh oh oh oh  
We are soaked up in the heatwave  
We are  
Oh oh oh oh oh oh oh oh oh  
We are tripping on the feeling  
We are  
Kicking it like good times are never gonna  
End my friend are you with me  
Oh oh oh oh oh oh oh oh oh  
We are soaked up in the heatwave  
We are  
We are soaked up in the heatwave  
We are  
Oh oh oh oh oh oh oh oh oh  
We are soaked up in the heatwave  
We are.
