

All the Things That Go to Make Heaven and Earth

The New Pornographers

All those things that go to make heaven and this
Where midnight was ... splashed across the canvas
Midnight, who was a girl
Midnight, who lost control and he found this world

With matter removed of divine dimension
Our time reduced to an honorable mention
This world, which time forgot
This world, it lost control and then saw God

All of the things that go to make heaven and earth are here
All of the things that go to make heaven and earth
Put your new weight in gold and see what it's worth

All of the things that go to make heaven and earth are here
All of the things that go to make heaven and this
Success was survival and kid it still is
Success was survival and kid it still is

Did you think of something He didn't think of?
Crashing into horizons on the brink of success
Success which was survival gone too far

All of the things that go to make heaven and earth are here
All of the things that go to make heaven and earth
Put your new weight in gold and see what it's worth

All of the things that go to make heaven and earth are here
All of the things that go to make heaven and this
Success was survival and kid it still is
Success was survival and kid it still is
Success was survival and kid it still is
Success was survival and kid it still is
