

# Beautiful People

The New Seekers

Beautiful people  
You live in the same world as I do  
But somehow I never noticed  
You before today  
I'm ashamed to say

Beautiful people  
We share the same back door  
And it isn't right  
We never met before  
But then  
We may never meet again  
If I weren't afraid you'd laugh at me  
I would run and take all of your hands  
And I'd gather everyone together for a day  
And when we're gathered  
I'll pass buttons out that say

Beautiful people  
Then you'll never be alone  
'Cause there'll always be someone  
With the same button on as you  
Include him in everything you do

Beautiful people  
You ride the same subway  
As I do every morning  
That's got to tell you something  
We have so much in common  
I go the same direction that you do  
So if you take care of me  
Maybe I'll take care of you

Beautiful people  
You look like friends of mine  
And it's about time  
That someone said it here and now  
I make a vow that some time, somehow  
I'll have a meeting, invite everyone you know  
I'll pass out buttons to the ones who come to show

Beautiful people  
Then you'll never be alone  
'Cause there'll always be someone  
With the same button on as you  
Include him in everything you do

Beautiful people  
Beautiful people  
I'll take care of you
