

## Beg, Steal Or Borrow

The New Seekers

You know I'll beg  
Steal or borrow  
I'll bring you love.

I look at you and I see  
What I've been looking for  
Now it's very clear to me  
We should be together.  
You make me feel I could reach  
For the impossible  
And knowing how much you care  
I'll be there forever.

You know I'll beg  
Steal or borrow  
To give you sunny days  
And in a hundred ways  
I'll bring you love.  
You know I'll beg  
Steal or borrow  
To make your garden grow  
And most of all you know  
I'll bring you love.

I always knew that the world  
Could be a finer place  
So what if I have to wait  
Better late than never.  
You you're like me you believe  
Love makes it all worth while  
And although we've just begun  
We'll go on forever.

You know I'll beg  
Steal or borrow  
To give you sunny days  
And in a hundred ways  
I'll bring you love.  
You know I'll beg  
Steal or borrow  
To make your garden grow  
And most of all you know  
I'll bring you love.

You know I'll beg  
Steal or borrow  
To give you sunny days  
And in a hundred ways  
I'll bring you love.
