Free To Be You And Me

The New Seekers

There's a land that I see where the children are free And I say it ain't far to this land from where we are Take my hand, come with me, where the children are free Come with me, take my hand, and we'll live

In a land where the river runs free In a land through the green country In a land to a shining sea And you and me are free to be you and me

I see a land bright and clear, and the time's comin' near When we'll live in this land, you and me, hand in hand Take my hand, come along, lend your voice to my song Come along, take my hand, sing a song

For a land where the river runs free For a land through the green country For a land to a shining sea For a land where the horses run free And you and me are free to be you and me

Every boy in this land grows to be his own man In this land, every girl grows to be her own woman Take my hand, come with me where the children are free Come with me, take my hand, and we'll run

To a land where the river runs free To a land through the green country To a land to a shining sea To a land where the horses run free To a land where the children are free And you and me are free to be And you and me are free to be And you and me are free to be
