Never Ending Song of Love

The New Seekers

I've got a never ending love for you From now on, that's all I want to do From the first time we met I knew I'd have a never ending love for you

After all this time of being alone We can love on another Feel for each other from now on Feels so good I can hardly stand it

I've got a never ending love for you From now on, that's all I want to do From the first time we met, I knew I'd sing my never ending song of love for you

After all this time of being alone We can love on another Feel for each other from now on Feels so good I can hardly stand it

I've got a never ending love for you
From now on, that's all I want to do
From the first time we met, I knew
I'd sing my never ending song of love for you
