

# You Won't Find Another Fool Like Me

The New Seekers

You won't find another fool like me, babe  
No you won't  
Who'll sit around all night and wait for you  
And close their eyes  
To oh so many lies  
No one else could love you like I do

I wanna tell ya  
You won't find another clown like me babe  
No you won't  
I can't count the times you said you'd leave  
You know darned well you're fooling  
'Cause wherever you may go  
You won't find another fool like me

Sometimes I can't understand  
What makes me the fool that I am  
Then you touch my hands  
And suddenly I know

Even though you treat me like you do babe  
You know you do  
I'm so hooked on you I can't get free  
Oh but I'll get through the bad times  
'Cause in my heart I know  
That you won't find another fool like me

La la la la la la la la la  
La la la la la la la la la  
Give me just a sign  
You may ring me sometime  
I'll fall for that old game you always play boy  
I wanna tell ya  
You won't find another clown like me babe  
No you won't  
I can't count the times you said you'd leave  
You know darned well you're fooling  
'Cause wherever you may go  
You won't find another fool like me  
No no noooo  
You will never find another fool like me  
You will never find another fool like me
