

Amazing Love

The Nitty Gritty Dirt Band

Amazing love so rich and rare
Amazing love beyond compare
A life so full of blessings
And promises fulfilled
Be careful not to run and hide
From this amazing love

Once as a child I did not see
That all my deeds returned to me
But I have traveled miles
And made a few mistakes
I've learned about forgiveness
And found amazing love

Even though a mother guards her children
Still they stumble, fall and shed a tear
Lessons learned and healing hands upon them
Through the years, through the years

Was a time when I was so alone and...
Feeling that my life was incomplete
Oh my heavy heart was barely beating
Down so deep, down so deep

Amazing love now in my arms
Amazing love to call my own
A life so full of blessings
And promises fulfilled
Be careful not to run and hide
From this amazing love
Amazing love...
Amazing love
Amazing love
