

Anxious Heart

The Nitty Gritty Dirt Band

Don't mind me
I'm half crazy about you
I don't mean to doubt you
But ooh I got an anxious heart

You been gone so damn long
That it seems
I've fallen for a bad dream
I guess I got an anxious heart

Ooohh, put me away
Tell me I don't deserve you
But you ain't got the nerve too
Oh wooh wooh

I don't mind the times
You lied, it's alright
Just come home to me tonight
Take away my anxious heart

Ooh ooh

Ooohhh, put me away
Tell me I don't deserve you, ah
You ain't got the nerve too
Oh wooh wooh

I don't mind the times
You lied, it's alright
Just come home to me tonight
And take away my anxious heart (take away)
Take away my anxious heart (take away)
Please take away my anxious heart (take away)
Ba-by take away my anxious heart (take away)
Ooohh
Take away my anxious heart
Take away
Take away
