Baby's Got a Hold on Me

The Nitty Gritty Dirt Band

Sittin' on the front porch tryin' to keep still Baby's lookin' finer than a fifty dollar bill Pretty blue eyes and it isn't hard to see That baby's got a hold on me

Long blond hair down the middle of her back She's got the keys to her daddy's Cadillac Got every little thing that I'm ever gonna need Baby's got a hold on me

Got a hold on, got a hold on me Got a hold on, baby's got a hold on me

We got a full tank of gas, lookin' for a thrill A three day weekend, lot of time to kill Put the top down but we're never gonna freeze 'Cause baby's got a hold on me

Got a hold on, got a hold on me Got a hold on, baby's got a hold on me Hold on

Well, the full moon's shinin' on a Carolina night Drivin' my girl across the interstate line Got a preacher waitin' and that's how it's gonna be 'Cause baby's got a hold on me

Got a hold on, got a hold on me Got a hold on, baby's got a hold on me

Got a hold on, got a hold on Got a hold on, baby's got a hold on me Baby's got a hold on me Baby's got a hold on me

Hold on, baby's got a hold on me Hold on Hold on, baby's got a hold on me Hold on Hold on, baby's got a hold on me Hold on, baby's got a hold on me Hold on
