

Baltimore

The Nitty Gritty Dirt Band

Baltimore, can you be in town tomorrow?
Baltimore, I got no money for this call.
Baltimore, I don't think I can hold my sorrow any longer in
Baltimore, I feel I'm up against a wall

Baltimore, can you find me in this city now?
Baltimore, I don't know how much I've been changed
Baltimore, I don't think I'm very pretty now
Baltimore, can a meeting be arranged?

Oh, well, I've been down,
And I've been sorry,
It's so hard to say it when you're tied deep in the hollow of a
drum, yeah,
But I don't care to hear you say you're worried, you can show i
t,
You can find me in the morning if you come

Baltimore, the best stories I remember
Baltimore, about friends I used to know,
Baltimore, I've got a letter I could send her to
Baltimore, now if you refuse to show

Oh, well, I've been down,
And I've been sorry,
It's so hard to say it when you're tied deep in the hollow of a
drum, yeah,
But I don't care to hear you say you're worried, you can show i
t,
You can find me in the morning if you come

Baltimore, can you be in town tomorrow?
Baltimore, I got no money for this call
Baltimore, I don't think I can hold my sorrow any longer in
Baltimore I feel you're up against a wall

In Baltimore...
