

Do You Feel It Too

The Nitty Gritty Dirt Band

Thought a girl was a girl and then
Found myself in love again
I've been in love a time or two
But it never happened like it did with you
Do you feel it too?

Well, my heart just went for a ride
Certain feelings you just can't hide
I thought I knew a thing or two
'Bout the ways of a woman until I met you
Do you feel it too?

Please, remember how I feel about you
Let me know right now if I'm pleasing you.

Please, remember how I feel about you
Let me know right now that I'm pleasing you.

Thought a girl was a girl and then
Found myself in love again
I've been in love a time or two
But it never happened like it did with you
Do you feel it too?

Do you feel it?
