

Do You Feel the Way That I Do

The Nitty Gritty Dirt Band

Give it time, my love's on the line
We're heading separate ways
I never thought it would come to this
And I can't find the words to say

Do you feel the way that I do
Do you feel the way that I do
I need you to feel like I do tonight

Blue skies like the ribbons in your hair
Oh, I remember those days
But as hard as I try to hold on to those thoughts
They just keep on slippin' away

Do you feel the way that I do
Do you feel the way that I do
I need you to feel like I do tonight

Sometimes it hard to know love's pace
She's changin' day by day
Like somethin' familiar you just can't place
If we don't let her fool us she'll stay

Do you feel the way that I do
Do you feel the way that I do
I need you to feel like I do tonight

Do you feel the way that I do
Do you feel the way that I do
I need you to feel like I do tonight

Do you feel it
Do you feel it
Do you feel it tonight
