

For A Little While

The Nitty Gritty Dirt Band

Pick up on a little lovin'
It just might do you good
I'm not bound to runnin' around
I wouldn't if I could

I can't say tomorrow
Until I see the light
I'll spend the rest of my life
With you tonight

So if I promise to love you forever
Would you let me love you for a little while
And if I tell you we'll always be together
Would you let me hold you for a little while

Hold on to me, pretty mama
I won't sing you a song
I'll be there when it feels good
In the mornin' I'll be gone

I won't make you promises
To make it seem alright
I'll spend the rest of my life
With you tonight

Gonna love you, baby
Gonna hold you, baby
For a little while
Gonna love you, baby
Gonna hold you, baby
For a little while
Gonna love you, baby
Gonna hold you, baby
For a little while
Gonna love you, baby
Gonna hold you, baby
For a little while

So if I promise to love you forever
Would you let me love you for a little while
And if I tell you we'll always be together
Would you let me hold you for a little while
For a little while
For a little while
For a little while
