

It's About Time

The Nitty Gritty Dirt Band

We've been together for a while
Look how far we've come
Guess we both thought this would be
Just another kiss and run
But feelings grew stronger
Day after day
'Til we both were certain
That it was meant to be this way

It's about time, baby
And it's about love
It's about tomorrow
And all we can become
It's about time darlin'
And it's about trust
It's about forever
And it's about us

I never thought I'd feel so sure
About anyone
Where each emotion is so clear
Now that day has finally, finally come

I never thought I'd feel so sure
About anyone
Now every single doubt is gone
And I know that you're the one

It's about time, baby
And it's about love
It's about tomorrow
And all we can become
It's about time, darlin'
And it's about trust
It's about forever
And it's about us

It's about time
It's about us
