

Jealousy

The Nitty Gritty Dirt Band

When you walk, do you take the short way home?
Call you up, does it sound like you're alone?
Dressin' up, are you lookin' good for me?
Dancin' close, are your eyes where they should be?

I can feel it comin' over me (comin' over me)
Somebody, help me
Jealousy.

When you sleep, do you see me in your dreams?
Feelin' high (high) high, do I always see the steam?

I'm afraid it's taken hold of me (takin' hold of me)
Somebody, help me
Jealousy.

(Aaaah, ohh)

Your constant assurance
Don't want your mystery
I'm guessing, please, tell me
I'm goin' crazy over you and you and me.

When you talk, are you mentioning my name?
Cheryl Plate, are you willing to explain?

Hate to have you prove it constantly
Jealousy
Jealousy
You and me
(Ahh) jealousy
Jealousy, yeah, yeah)
(Jealous, jealousy)
Jealousy.
