

Maryann

The Nitty Gritty Dirt Band

It isn't such a crime, it isn't such a shame
It happens all the time, you shouldn't take the blame
Go on and have a laugh, go have a laugh on me
Go on and have a laugh at all your misery.

Maryann, Maryann, I really want to tell you
Maryann, Maryann, I think I love you
Maryann, Maryann, I really want to tell you
Maryann, Maryann, Maryann.

You take a look around and all you seem to see
Is bringing you down as down as you can be
Go on and have a laugh, go have a laugh on me
Go on and have a laugh at how bad it can be.

Maryann, Maryann, I really want to tell you
Maryann, Maryann, I think I love you
Maryann, Maryann, I really want to tell you
Maryann, Maryann, Maryann.

Maryann, Maryann, I really want to tell you
Maryann, Maryann, I think I love you
Maryann, Maryann, I really want to tell you
Maryann, Maryann, Maryann.

It isn't such a crime, it isn't such a shame
It happens all the time, you shouldn't take the blame
Go on and have a laugh, go have a laugh on me
Go on and have a laugh at all your misery.

Maryann, Maryann, I really want to tell you
Maryann, Maryann, I think I love you
Maryann, Maryann, I really want to tell you
Maryann, Maryann, Maryann.

I said I really want to tell you
Maryann, Maryann, I think I love you
Maryann, Maryann, I really want to tell you
Maryann, Maryann, Maryann.

Oh, I really want to tell you
Maryann, Maryann, I think I love you
Maryann, Maryann, I really want to tell you
Maryann, Maryann, Maryann.

I really want to tell you ...
