

# Never Together (But Close Sometimes)

The Nitty Gritty Dirt Band

There's a song in your eye that's as blue as the sky  
And just looking at you keeps me singing it  
There's this music and wine don't it sparkle and shine  
And it's one for your money and two to quit.

And every day it's getting less hard to be  
Never together but close sometimes  
Windows and rain, blue birds and planes  
They're never together but they're close sometimes.

A girl in New York once captured my heart  
But her winter was cold so I had to split  
Sweet Tennessee spoke softly to me  
Home is your home when you're loving it.

And every day it's getting less hard to be  
Never together but close sometimes  
Windows and rain, blue birds and planes  
They're never together but they're close sometimes.

They're never together but they're close sometimes  
They're never together but they're close sometimes.

They're never together but they're close sometimes.

They're never together but they're close sometimes.
