## **Never Together (But Close Sometimes)**

## The Nitty Gritty Dirt Band

There's a song in your eye that's as blue as the sky And just looking at you keeps me singing it There's this music and wine don't it sparkle and shine And it's one for your money and two to quit.

And every day it's getting less hard to be Never together but close sometimes Windows and rain, blue birds and planes They're never together but they're close sometimes.

A girl in New York once captured my heart But her winter was cold so I had to split Sweet Tennessee spoke softly to me Home is your home when you're loving it.

And every day it's getting less hard to be Never together but close sometimes Windows and rain, blue birds and planes They're never together but they're close sometimes.

They're never together but they're close sometimes They're never together but they're close sometimes.

They're never together but they're close sometimes.

They're never together but they're close sometimes.
