

Rock Me Baby

The Nitty Gritty Dirt Band

Rock me, baby, rock me all night long
Rock me, baby, rock me all night long
Well, rock me, baby, until my back ain't got no bone.

Roll me, like a wagon wheel
Roll me, baby, like a wagon wheel
I want you to roll me, baby, ...

Spin me, spin me, spin me like a spinning top
Spin me, baby, spin me, spin me like a spinning top
Honey, you spin me, baby, but no, no, never stop.

Shake me, baby, shake me like a shaking ...
Shake me, baby, shake me like a shaking ...
I wanna shake me, baby, ...

Rock me, spin me, rock me, spin me
Rock me, spin me, rock me, spin me
I want you to rock me, baby, until my back ain't got no bone.
