

Sixteen Tracks

The Nitty Gritty Dirt Band

Sixteen tracks, rollin' on that reel
Sixteen tracks, rollin' on that reel
Well, if you don't buy this record, don't know no one who will.

Well, I sing this song just like old Elvis do
Well, we sing this song just like old Elvis do
Well, we're not on Sun but we are funky too.

Oh, get it, son!

Well, we came to Nashville to get that Memphis sound
Well, we came to Nashville, we got that Memphis sound
Well, what happened to our heads, they got all turned around.

Sixteen tracks, they're rollin' on that reel, ooo
Sixteen tracks, they're rollin' on that reel
If no one buys our record, don't know no one who will.
