

Some of Shelly's Blues

The Nitty Gritty Dirt Band

Tell me
One more time the reason why you must leave
Tell me again why you think you don't need me
Tell me again but don't think you'll convince me

You said
About fallin' in love again you'd rather be dead
When somebody breaks your heart you cry your eyes red
There's nothin' so hard about the life that you led

As far as I can see
There's no reason for goodbye
'Cause you're just runnin' scared
And that's something I won't buy

So you lose
I won't let you go and nothin' to show but more blues
And all this talk about leavin' is strictly bad news
You settle down and stay with the girl who loves you

As far as I can see
There's no reason for goodbye
'Cause you're just runnin' scared
And that's something I won't buy

So you lose
I won't let you go and nothin' to show but more blues
And all this talk about leavin' is strictly bad news
You settle down and stay with the girl who loves you

You settle down and stay with the girl who loves you
You settle down and stay with the girl who loves you
You settle down and stay with the girl who loves you
