

## Some of Shelly's Blues

The Nitty Gritty Dirt Band

Tell me  
One more time the reason why you must leave  
Tell me again why you think you don't need me  
Tell me again but don't think you'll convince me

You said  
About fallin' in love again you'd rather be dead  
When somebody breaks your heart you cry your eyes red  
There's nothin' so hard about the life that you led

As far as I can see  
There's no reason for goodbye  
'Cause you're just runnin' scared  
And that's something I won't buy

So you lose  
I won't let you go and nothin' to show but more blues  
And all this talk about leavin' is strictly bad news  
You settle down and stay with the girl who loves you

As far as I can see  
There's no reason for goodbye  
'Cause you're just runnin' scared  
And that's something I won't buy

So you lose  
I won't let you go and nothin' to show but more blues  
And all this talk about leavin' is strictly bad news  
You settle down and stay with the girl who loves you

You settle down and stay with the girl who loves you  
You settle down and stay with the girl who loves you  
You settle down and stay with the girl who loves you
