Some of Shelly's Blues

The Nitty Gritty Dirt Band

Tell me

One more time the reason why you must leave Tell me again why you think you don't need me Tell me again but don't think you'll convince me

You said

About fallin' in love again you'd rather be dead When somebody breaks your heart you cry your eyes red There's nothin' so hard about the life that you led

As far as I can see
There's no reason for goodbye
'Cause you're just runnin' scared
And that's something I won't buy

So you lose

I won't let you go and nothin' to show but more blues And all this talk about leavin' is strictly bad news You settle down and stay with the girl who loves you

As far as I can see
There's no reason for goodbye
'Cause you're just runnin' scared
And that's something I won't buy

So you lose

I won't let you go and nothin' to show but more blues And all this talk about leavin' is strictly bad news You settle down and stay with the girl who loves you

You settle down and stay with the girl who loves you You settle down and stay with the girl who loves you You settle down and stay with the girl who loves you
