

# Take Me Back

The Nitty Gritty Dirt Band

Take me back  
Ooh, baby, won't you take me back tonight  
You gotta face the fact I still love you  
Take me back, let's get it right

I need a lesson in the ways of love  
Sometimes I lose my head, what am I thinkin' of  
I was crazy to have doubted you  
And like a fool I left you, I can't believe we're through

Take me back  
Ooh, baby, won't you take me back tonight  
You got to face the fact I still want you  
Take me back, let's get it right

Last night I saw you with another guy  
I couldn't help myself you know I had to cry  
I can't take it, just won't make it  
If you don't give me one more try

Take me back  
Ooh, baby, won't you take me back tonight  
You gotta take me back  
Ooh, baby, won't you take me, take me

I need a lesson in the ways of love  
Sometimes I lose my head, what am I thinkin' of  
I can't take it, just won't make it  
Oh, baby, give me one more chance, woo

You gotta take me back  
Ooh, baby, won't you take me back tonight  
You know I face the fact that I was wrong  
Take me back, let's make it right

T-T-T-Take me back  
Baby, baby, baby, won't you take me back tonight  
T-T-T-Take me back  
I love you, I need you

T-T-T-Take me back  
Baby, baby, baby, won't you take me back tonight  
You gotta take me back
