

The Monkey Song

The Nitty Gritty Dirt Band

Now I wonder if where love's involved
Did we improve as we evolved
Perhaps we'd fix a big mistake
By going wild, going ape

Here we go 'round the dry thistle
Monkey can climb but I can whistle
He can't sing and I can't dance
And the monkey don't have to wear no pants

Here we go 'round the dry thistle
Monkey can climb but I can whistle
He can't sing and I can't dance
And the monkey don't have to wear no pants

Here we go 'round the dry thistle
Monkey can climb but I can whistle
He can't sing and I can't dance
And the monkey don't have to wear no pants

Here we go 'round the dry thistle
Monkey can climb but I can whistle
He can't sing and I can't dance
And the monkey don't have to wear no pants
