These Days

The Nitty Gritty Dirt Band

Well, I've been out walking, And I don't do too much talking these days... These days... These days, I seem to think a lot About the things that I forgot to do And all the times I've had the chance to... Well, I've stopped my rambling, And I don't do too much gambling these days... These days... These days I sit on the corner stones And count the time in quarter tones to ten. Oh, will I see that highway? Well, I had a lover, And I don't think I'd risk another, these days... These days... And if I seem to be afraid To live the life that I have made in song, Well, it's just 'cause I've been moving too long. Well, I've stopped my dreaming, And I don't do too much scheming these days... These days... These days I sit on the corner stones And count the time in quarter tones to ten, my friend.

Don't confront me with my failures. I have not forgotten them.
