

This Christmas Morning

The Nitty Gritty Dirt Band

Here we come wassailing, spreading the news
Of a child born Christmas morning
Son of God and Savior of Man
Christ is come this Christmas morning
Spread the glad tidings near and far
Rejoice this Christmas morning
Glory to God give thanks today
For the child born Christmas morning
Sing a song of celebration
Joy to the earth let all proclaim
Here we come wassailing, spreading the news
Of a child born Christmas morning

People are gathered to share their love
And embrace this special morning
Sharing a gift from Heaven above
Of a child born Christmas morning
Light a light and join the chorus
Following in His loving grace
Carry the message for all to hear
Of a child born Christmas morning

Christ is born this morning
Christ is born this morning
Christ is born this morning
Christ is born this morning

Here we come wassailing, spreading the news
Of a child born Christmas morning
Son of God and Savior of Man
Christ is come this Christmas morning
Spread the glad tidings near and far
Rejoice this Christmas morning
Glory to God give thanks today
For the child born Christmas morning
For the child born Christmas morning
Christ is come this Christmas morning

Christ is born this morning
He's come this Christmas morning
Christ is born this morning
He's come this Christmas morning
Christ is born this morning
He's come this Christmas, this Christmas morning
