

B.I.G. Live in Jamaica

The Notorious B.I.G.

Ladies and Gentlemen

We're gonna ask you for some fanfare...the band fanfare because
...ladies and gentlemen...sting has always gone ahead of itself

.

They have done it again and again and again.

I remember the year they brought in the fat boys they were hott
er then ten thousand fire sides.

And if you know...and if you enjoy hip-hop...if you want one of
the coldest brothaz out of North America...a brotha that gave
you a song like

Juicy...

Uh-huh...

You hear a crew in Jamaica with something that goes like this

"Who the heck is this

Paging me in the morning

At the crack of dawning"

Yeauh!

Please welcome...for the first time...in Sting 96...Please welc
ome (welcome...welcome)

The Notorious....the Notorious...B.I.G...AKA bigge!
