

Be Reckless

The Notwist

Tear me apart
Same with you
Get more from life
Take more from a few

Be reckless if they ask for more
Be reckless if they ask for more
They'll be reckless for you

There's more to love
Never get in to sing along
Don't you hear from up
Here up far

Be reckless if they ask for more
Be reckless if they ask for more
They'll be reckless for you
