

I'm A Whale

The Notwist

I'm not blind
I'd only think I'm unkind
If I don't see you I'm so sorry
I'm underwater
I'm not blind

I'm a whale
I'm a whale

I'm not done
I'm in each and every one
I hear the sound of everything
I know for certain
What's left undone

I'm a whale
I'm a whale
