

Is It Fear?

The Notwist

You'll change your name
And certain friends you have
Nothing to say
Or nothing much

I'll burn in vain
To act in god's eyes
I can explain
What's wrong with you

Is it fear?
That makes me act this way
Is it fear?

Is it fear?
That makes you act this way
Is it fear?

I'll ditch my name
And certain friends I have
Nothing to say
Or nothing much

We try in vain
To act in god's eyes
I can explain
What's wrong with you

Is it fear?
That makes me act this way
Is it fear?
