

## Is It Fear?

The Notwist

You'll change your name  
And certain friends you have  
Nothing to say  
Or nothing much

I'll burn in vain  
To act in god's eyes  
I can explain  
What's wrong with you

Is it fear?  
That makes me act this way  
Is it fear?

Is it fear?  
That makes you act this way  
Is it fear?

I'll ditch my name  
And certain friends I have  
Nothing to say  
Or nothing much

We try in vain  
To act in god's eyes  
I can explain  
What's wrong with you

Is it fear?  
That makes me act this way  
Is it fear?
