```
Tell me what you taste
Will stay forever with you
Tell me what you taste
I know your buddy is sleeping
I know your buddy is sleeping
Sleeping
Tell me what it takes
To stay forever with you
Tell me what it takes
I know your buddy is sleeping
I know your buddy is sleeping
Sleeping
With you
Jump off 'cause nothing lingers alone
Jump off forever and now
Jump off 'cause nothing lingers alone
Jump off forever and now
Tell me what you taste
Will stay forever with you
Tell me what you taste
I know your buddy is sleeping
I know your buddy is sleeping
Sleeping
With you
Jump off 'cause nothing lingers alone
Jump off forever and now
Jump off 'cause nothing lingers alone
Jump off forever and now
```
