

# A Touch Of Your Hand

The Nylons

How do I tell I'm not dreaming  
When do I know that it's true  
Why is the heartache not healin'  
I can't shake this feelin'  
When I'm thinking of you

Who is the face in the mirror  
Where is the man I once knew  
I can't believe that I'm fallin'  
I hear your voice callin'  
Should I run back to you

Why do I think I'm in love  
With a touch of your hand  
Why do I think I'm in love  
With a touch of your hand  
I lose all control  
With a touch of your hand  
It's a feelin' I can't understand  
With a touch of your hand

How did you find my emotions  
You made it hard to be strong  
Now it's too late to refuse you  
I don't want to lose you  
I've been waiting so long

Chorus

Don't you let go  
This is just the beginning  
Don't you let go  
There are so many things that I wanted to say  
Don't you let go  
I've just got to know  
If it's love, let me know where I stand  
With a touch of your hand  
With a touch of your hand

Chorus
