

# Don't Look Any Further

The Nylons

Someone to count on in a world ever changin'  
Here I am stop where you're standing  
What you need is a lover, a man to take over  
Oh girl, don't look any further

Strange, when you think of the chances that we  
Both be in a state of mind  
Too cool to be careless  
Lookin' for the right thing  
Oh baby, don't look any further

Tonight we're gonna taste a little paradise  
Rocking all night long baby  
Daylight I'll still be lookin' in your ebony eyes  
And we'll go on and on and on and on

(dayo umba dayo mambu jiayo)  
Don't look any further. don't look any further  
Dayo umba dayo na jambay umbayo  
Don't look any further
