

# Love Tko

The Nylons

Ooh yeah, no, no, hey now, hey there

Lookin' back over the years  
You know I've shed some tears  
Told myself time and again  
This time I'm gonna win

But another fight, things ain't right  
I'm losin' again  
It takes a fool to lose twice  
Start all over again

Think I'd better let it go, yeah baby  
Looks like another love T.K.O., oh baby  
I think I better let it go, ooh, I won't  
Looks like another love T.K.O.

Tried to take control of love  
Love took control of me  
'Cause you lose all thoughts of sense, of time  
And it'll change your mind

Takin' the bumps and the bruises  
Of a two time loser  
Tryna, tryna hold on, the faith is gone  
Just another sad song

Think I better let it go  
Looks like another love T.K.O.  
I think I better let it go  
Looks like another love T.K.O.

Think I better let it go  
Looks like another love T.K.O.  
Think I better let it go  
Looks like another love T.K.O.

Tried to take control of love  
Love took control of me  
'Cause you lose all thoughts, sense of time  
And you change your mind

Takin' all bumps and bruises  
Two time loser  
I'm tryin' to hold on, faith is gone  
Just another sad song

Think I'd better let it go  
Looks like another love T.K.O.  
Think I'd better let it go  
Looks like another love T.K.O.

Think I better let it go  
Looks like another love T.K.O.  
Think I better let it go  
Looks like another love T.K.O.

Think I better let it go  
Looks like another love T.K.O.  
Think I'd better let it go  
Looks like another love T.K.O.

Think I'd better let it go  
Looks like another love T.K.O.  
Think I better let it go  
Looks like another love T.K.O.
