

The Shoop Shoop Song

The Nylons

Does she love me
I wanna know
How can you tell if she loves you so

Is it in her eyes
Oh no, you'll be decieved
Is it in her eyes
Oh no, she'll make believe
If you wanna know if she loves you so
It's in her kiss

Is it in her face
Oh no, that's just her charms
In her warm embrace
Oh no, that's just her arms
If you wanna know if she loves you so
It's in her kiss

Kiss her and squeeze her tight
And find out what you wanna know
If it's love, if it really is
It's there in her kiss

How 'bout the way she acts
Oh no, that's not the way
And you're not listening to what I say
If you wanna know if she loves you so
It's in her kiss

You gotta kiss her and love her and squeeze her tight
Whoa baby, oo

Kiss her and squeeze her tight
Find out what you wanna know
If it's love, if it really is
It's there in her kiss

How 'bout the way she acts
Oh no that's not the way
And you're not listening to what I say
If you wanna know if she loves you so
It's in her kiss
Yeah, it's in her kiss
