

Listen to the Clock on the Wall

The O'Jays

Listen to the clock on the wall
It's getting mighty late
Closer to the hour when we have to separate
Listen to the clock on the wall
It's moving much too fast
Girl, I love this feeling and I want this feeling to last

You step out to see me
And I step out to see you
We don't have much time
To blow each other's minds
Girl, you better hurry
Your husband might get worried
And my wife, she doesn't see
The change in me

Listen to the clock on the wall
It's getting, getting mighty late
Closer to the hour when we have to separate
Listen to the clock on the wall
It's moving, moving much too fast
Girl, I love this feeling and I want this feeling to last

Someday we'll be together
Forever and ever
Then we won't have to worry
We won't have to hurry
But now we gotta hurry
'Cause your husband might get worried
And my wife, she doesn't see
The change in me

You better

Listen to the clock on the wall
It's getting, getting, getting mighty late
Closer to the hour when we have to separate
Listen to the clock on the wall
It's moving, moving, moving much too fast
Girl, I love this feeling and I want this feeling to last
Listen to the clock on the wall

Listen to the clock on the wall

Listen to the clock on the wall
