

# Now That We Found Love

The O'Jays

Yeah

(Now that we found love what are we gonna do)

(Now that we found love what are we gonna do)

(with it)

(Now) One two, tell me what you got

Let me slip my quarters inside your slot to hit the jackpot

Rev me up rev me up

My little buttercup

We can tug sheets snuggle up and get stuck

Believe it or not

Here comes the brother with glow

A strugglin', bubblin' overweight lover hurt prone

So what's it gonna be

Me or the TV

Now let me take time to set your mind and your body free

(Now) So why don't you just stretch

Stretch for a sec

Played ??? so I could cop a quick rec

Shake me, Shake me

Baby baby bake me

No need to fake here I am

Come on and take me

Wind your body

Baby move your body

I see you slip sliding

Come on now do it hottie

I'm not quite sure as to what is going down

But I'm feeling Hunky Dory

'bout this thing that I found

(Now that we found love what are we gonna do with it)

(Now that we found love what are we gonna do

with it)

(Now) I dig the way you wiggle

You don't jiggle

Once you jiggle

So hand over your love

Cause it's heavier

Than it'll

Move her like a mover

she wanted to groove so I grooved her

then she wanted to learn so we did school

and I schooled her

(Now) But not like this

We can waltz and turn

Rumble tumble and twist

Then you think you gonna give in

Phantasies relivin'

So lay down and relax

(now) Lover my lady

Lady love of my baby girl

Spread your wings

So we can fly around the world

Harmony, charm of me

Your fingertips are callin me

When you drop me kisses

You're so cute you drop the bomb on me  
(Now) Stretch it, stretch it  
Flex it, flex it  
Gimme the permission  
Okey, dokey  
I'll bless ya  
Blessin' like buddha
