

Stairway to Heaven

The O'Jays

Here we go
Climbing the stairway to heaven
Here we go
Walking the road of ecstasy

Taking the load
Of this whole world off our shoulders
The door is wide open for you
The door is open for me

Here we go
Still in a moment of pleasure
You and I
We are gonna find the pirates treasure

Here we go
Oh baby, here we go
Climbing the stairway to heaven
Climbing the stairway to heaven

And we are going step by step
Together, step by step
Climbing the stairway to heaven
Climbing the stairway to heaven

And we are going step by step
Together, step by step

Put your hand, lean closer
Don't you wanna go
Don't you wanna go
In our own little corner of the world
