

## All I Need

The Oak Ridge Boys

In the magic of this rainy afternoon  
Far away from the battle for survival.  
In the shelter of your love  
My heart can see the simple truth  
It comes to me that all I need is you.

But these quiet moments wash away too soon  
When the world outside becomes a raging river  
And I'm swept away and looking for a rock to hold on to  
It comes to me that all I need is you.

I don't need a popcall, all I need is you  
Somebody else's hand to hold,  
all I need is you.  
Even in the darkest night  
your love comes shining through  
It comes to me that all I need is you.  
All I ever need is you, all I need is you.

Some people judge their worth by what they do  
They only count the power and the glory.  
If life becomes a bottom line of what you win and lose  
It comes to me that all I need is you.  
All I ever need is you, all I need is you.
